Cyber Security Virtual Case Experience | **PricewaterhouseCoopers** (June, 2021)

- Integrated Information Defense,
- Risk Assessment.
- IT System Security Baseline.
- Network Segmentation.

HOBBIES AND INTERESTS

- I love playing games both indoors and outdoors. Chess is one of my favorite things to do since it relaxes my mind and improves my skills as a team player.
- I also like to practice playing my digital piano.
- Keeping myself updated with cyber threats and happenings in and around the world is also something I enjoy doing. I do my part of research by trying to breakdown the hack-chain and also analyze the case study reports of corresponding attacks.
